07 Feb 2013 Camelot (1995) (ENG-USA) The Knights of the Round Table are unable to defeat the evil Mordred and the White Knight, and so are forced to leave the kingdom forever. Years later, King Arthur's son Kay is crowned the King of Camelot. published: 30 Nov 2015 Camelot - Episode 1 - Short version This video is a summary of the serial television drama series 'Camelot' created by Michael Hirst (Doctor Who). The show is based on the thirteenth century epic poem 'Morte D'Arthur' or 'Death of Arthur' written by the Welsh bard, Taliesin, in the late sixth century. It is often regarded as one of the earliest examples of television. The story focuses on the main character, Kay, and his search for the Holy Grail, his royal identity and the power of King Arthur's court. The first episode, 'Conception', aired on the BBC on 2
