Rating: 5.0 Mind Scratching Mind Scratching Screensaver The world is full of its wonders. The Sun, the Moon and the Earth, the stars, the oceans, and the many kinds of creatures are all wondrous and fascinating. But how are all these wonders created? What is the source of all of creation's magnificence? This is what the science of cosmology and the mystery of creation are all about! Love Is In The Air Screensaver After every couple falls in love, they have a window of time where they are so in love, they want to spend all their time together. That's when it's really in the air. Because if you love someone, what can you do? You really don't have to do much... When you feel it from the bottom of your heart, everything just comes together, the bad times of the day disappear. You know the reason you are even here today. It is because you love the person on the other side of that screen. You are his or her dream come true. When you look into their eyes, you know you can't be happier. If you can, you're in love with the wrong person. If you can't be happy in your life, you must be unhappy with this person. You could enjoy your love together even more if you just let it go. Santa Claus In Love Screensaver Santa Claus In Love - We all know Santa Claus as an iconic figure of Christmas. He is synonymous with Christmas. But did you know that Santa Claus is an international symbol of love, too? We searched in mythology, and we found some references of a god called 'Karvus'. He was like our Santa Claus in ancient Rome. Legend says that Karvus is an important deity of Rome. Karvus helped both humans and animals. He
