Millette/Corp/Enron@ENRON cc: Richard B Sanders/HOU/ECT@ECT Subject: Fuel Cell I would like to get something in place regarding the filing of the second pleading for fuel cells in Texas. My trial for the week of April 2 is booked for Harris County (and will be my only Harris County trial in 2001). I will be asked at the arraignment and I will be in trial the week of the 2d. I will not be in Houston for the next two

---

weeks. I need to know whether I should ask the court for a continuance. If you have any thoughts in this regard, please advise. Mark Senior Counsel, ENA  
Phone: 713-345-8897 Facsimile: 713-646-3940 E-Mail: Mark.Confer@enron.com

Q: How to set a timeout interval for a thread to go to sleep in Python? I've been trying this for hours and I can't get it to work properly, I want my thread to go to sleep every 5 seconds and have a short-circuiting interrupt signal when it is about to go to sleep.

```
if vcc.is_connected():  
    print('We have a connection to
