I want to find whether a particular android application is running or not in the phone or not. A: You should be able to run something like ActivityManager am = (ActivityManager) getSystemService(ACTIVITY\_SERVICE); List runningApps = am.getRunningAppProcesses(); for(ActivityManager.RunningAppProcessInfo r : runningApps) System.out.println("APP = " + r.processName); APRIL 2015: National Association of Professional Builders Trade Show 02/11/2015 - National Association of Professional Builders (NAPB) has announced that the 2015 trade show will be held in Orlando, Florida, April 7-9, 2015. The trade show will be held in conjunction with the NAPB's National Education Conference. "We're proud to partner with the National Association of Professional Builders on this event," said Bernadette Llewellyn, CEO of the Builders Exchange. "It is a great opportunity to meet with industry professionals, learn about new technology and connect with our members as well as future colleagues." The trade show will feature four days of educational programming including a keynote speaker, education sessions, a final project award ceremony, exhibits, and the Builders Exchange best practices roundtable. Participants will also enjoy networking with their peers
